Brigham Young University – Marriott School of Business

Bachelor of Science in Strategic Management, Minor in Chinese

Provo, UT

Apr 2027

- Overall GPA: 3.98 Major GPA: 3.99
- Member of: Product Management Association, Corporate Strategy Association, AI in Business Association, Business for Good Association

EXPERIENCE

Marketing.Storage

Product Management Intern

Lehi, UT

May 2026-Present

- Engineered high-fidelity functional prototypes using Claude Code for internal tools and client-facing performance reporting dashboards, accelerating product discovery by validating core workflows and UI prior to full-scale development
- Created a centralized CLAUDE.md prototype guidelines wiki to introduce a standardized AI-driven product development process, streamlining the pipeline from initial product research to engineering implementation, eliminating repetitive prompt iterations and reducing initial bottlenecks

Grain Intelligence Inc.

Product Operations Associate

Lehi, UT

Feb 2026-Aug 2026

- Defined product-qualified lead signals and built targeted outreach campaigns to increase customer conversion, capturing a 6% upgrade rate and a 24% key feature adoption rate within target customer cohorts
- Authored project briefs for meeting recording consent and SCIM management, defining UI layout and feature details to translate user needs into product requirements, guiding engineering on implementation and safeguarding \$52K+ in ARR
- Simplified fragmented customer-facing support documentation into a unified canonical framework, driving a 60% self-service resolution rate across hundreds of customer support interactions and increasing AI citations 10-fold
- Built automated workflows via Claude and Zapier to synthesize internal product data into marketing emails, support document audits, and bi-weekly product update digests, streamlining communication across Grain and reducing operational overhead

Brigham Young University – Brand & Creative

Film Editor

Provo, UT

June 2024-Jan 2026

- Produced and edited 100+ videos across 2 brands, tailoring content to 500K+ monthly viewers, increasing viewership 28%
- Orchestrated the content production process, including actor coordination and post-production, to deliver high-quality videos on a tight schedule, totaling 300K+ combined views

Career Prep High School

Assistant Project Manager

Remote

May 2024-May 2025

- Managed end-to-end development of 40+ online courses, improving graduation accessibility for 10K+ secondary education students and accelerating diploma completion
- Utilized Agilix Buzz and AI tools to streamline course design lifecycle, reducing turnaround time by 25%

LEADERSHIP & SERVICE

Jeff Whitlock Campaign for Provo City Council

Student Engagement Volunteer

Provo, UT

Aug 2025-Nov 2025

- Conducted targeted grassroots outreach across 2 neighborhoods, directly engaging 30+ target voters, driving a 12% increase in voter turnout
- Collaborated with a team of 5 student volunteers to plan and execute voter information events, expanding campaign awareness and contributing to the candidate's election victory

The Church of Jesus Christ of Latter-day Saints

Volunteer

Leeds, England

Aug 2021-Jul 2023

- Led and mentored 140 volunteers across England, designing and leading training programs to enhance team productivity
- Planned and taught 30+ workshops on leadership, problem-solving, and networking, building volunteer effectiveness
